Sept. 5, 2025	COMPETITIVE	CPC Service Provider?	Jan. 4, 2026	September 5th, 2025 - received an excel spreadsheet from Dana with all of the serial numbers and schools for this board. Checked one of the serial numbers (EHQ206817) and it shows that it is still on a CPC plan in my genie report. Asked Dana about it. Would like to go visit with the Board while I'm in Thunder Bay.
